### HOW DO I FIND OUT MORE AND MAKE MY VIEWS KNOWN?

You are invited to attend an  
exhibition on:

Tuesday 4<sup>th</sup> June 2013

between 3.30pm - 7.30pm

at Earlswood Methodist Church Hall  
(corner of Rumbush Lane / Wood Lane)

### WHAT IS HAPPENING AND WHEN?

As part of the process of preparing an outline planning application, Lioncourt Homes would like to invite local people to be involved in the process from an early stage, so that their views can be taken into account where appropriate.

Lioncourt Homes is intending to submit an application to Solihull Metropolitan Borough Council (SMBC) in August 2013 and will be applying for the 'principle' of up to 185 homes on land off Fulford Hall Road. If SMBC consider the site to be suitable for housing, outline planning consent will be granted. This would be subject to a number of planning conditions, which will include detailed designs of the proposals to be submitted in future 'reserved matters' applications and required contributions from the developer towards the cost of new infrastructure and facilities in the local area.

### WHY HAVE I RECEIVED A LEAFLET?

Lioncourt Homes would like to hear your views on the emerging proposals and other issues in the local area that you think should be taken into account.

### HOW CAN I GET IN TOUCH?

A freepost reply card is attached to this leaflet which you can use to share your views. Please let us know what you think by 5th July 2013. Simply fill in the form, tear off, fold the reply slip and put in the post. No other address or stamp is required.

In addition to the exhibition, a freephone number 0800 169 6507 is also available. Call during office hours and this will put you in touch with PPS who are coordinating consultation responses on behalf of Lioncourt Homes.

Information is also available to view online at [www.tidburygreen.co.uk](http://www.tidburygreen.co.uk).

# Land off Fulford Hall Road TIDBURY GREEN

## PUBLIC CONSULTATION

Lioncourt Homes

“ A low density residential garden suburb comprising up to 185 new homes and substantial open space ”

Tidbury Green Garden Suburb will be a high quality, low density and well connected extension of the existing village, providing much needed recreational facilities for the wider community. The integration of existing vegetation and landscape characteristics will create a strong sense of place and help assimilate the proposed development into the leafy village setting.

# HAVE YOUR SAY

If you would like to receive updates on this consultation and project, then please complete and return the response slip to the freepost address overleaf.

Alternatively call the freephone number – 0800 169 6507 (during office hours) and this will put you in touch with PPS who are coordinating consultation responses on behalf of Lioncourt Homes.
