APPLICATION NO. :PL/2016/00373/COU

Site: Rumbush Farm 321 Rumbush Lane Earlswood Solihull

Proposal: Change of use of part of site to HGV vehicle parking.

Dear Sir or Madam

The above planning application is to be considered by the Planning Committee on 18.05.2016. The Planning Committee meeting is held at the Civic Suite and will commence at 6.00pm. As you made representation on the proposed development, you may be allowed the opportunity to address the Committee at this meeting and express your views. However, should you wish to speak at the meeting you will need to register with the Planning section by telephone or e-mail (details as above) before 12 noon of the Tuesday before Committee and you must give a daytime telephone number in case we need to contact you. Please note, even if you have previously stated a wish to speak about this application, you still need to respond specifically to this letter in order to formally register your request. Only one objector and one supporter will be allowed to speak on each application. In the event that more than one request is made, then those who have registered to speak will be invited to see if an agreement can be reached that a spokesperson speaks on behalf of all objectors or that the 3 minutes is split between 2 or more speakers. In the event that no agreement can be reached then the Chairman will use his discretion to nominate one speaker based on the proximity of the intended speaker's home address to the application site.

The Planning Committee will be streamed to a live webcast, more information can be found by using the following web link <http://www.solihullpublic-tv.com/portal/home>. If you do not wish to be filmed whilst addressing the meeting the webcast operator will focus the camera on the Chairman instead. At the time of registering to speak this will be explored with you.

Information relating to the arrangements for public speaking is available on line at <http://modern-governments/e2341/Planning%20Committee%20Handbook.pdf>. If you require any further information relating to this, please contact the officer named above. No written material shall be handed out at the meeting, but should speakers wish to display a small number of images then this will be possible provided that it is supplied to the Council by 4.00 pm on the day before the meeting. The Council will endeavour to supply a copy of the illustrative material to the applicants (or if the applicant wishes to display images then copies are made available to those objecting). Such images should be supplied in electronic form via an attachment to an email sent to planning@solihull.gov.uk clearly marked that they are intended for the Planning Committee and the application number they relate to.

If you have any queries regarding the planning application you will need to speak to Julia Sykes who is the case officer dealing with the application.

Yours faithfully

James Carpenter BA (Hons) MSc MRTPI
Head of Development and Regulatory Management
